Re: Uniform Fittings

Because of the early date of our full marching band picture this year, we will need to fit our new members in uniforms during the New Member Camp. Guard and Percussion Members will not be fitted for uniforms this week but will be fitted at one of their summer camp days. **ALL NEW MEMBERS (INCLUDING PERCUSSION) AND ALL GUARD MEMBERS WILL BE FITTED FOR SHOES AND GLOVES ON WEDNESDAY AT 3:30.** The owner of the company will be here to do the shoe and glove fittings.

Our Uniform Chair, Kathy Keely will be in each afternoon beginning at 3:30 to fit the wind player students and will be here each night at the end of practice at 8:00 p.m. To help streamline and schedule so nobody has to wait very long, we would like to use the following schedule for fittings:

**Tuesday @ 3:30** – Flutes and Mellophones

**Tuesday after New Member Camp** – Saxophones

**Wednesday @ 3:30** – All guard members fitted for shoes

**Wednesday @ 4:00** – All new winds and percussion fitted for shoes (trumpets after shoe fitting)

**Wednesday after New Member Camp** - Trumpets

*\*We will fit trumpets students that are finished with shoe fitting if time is available.*

**Thursday @ 3:30** – Clarinets

**Thursday after New Member Camp** – Trombones / Tubas

**Friday @ 3:30** – Any remaining uniform fittings

**Friday after New Member Camp** – Any remaining uniform fittings

If the time scheduled for your student does not work with your schedule, please email me and an alternate time this week will be made for you but it is important that all fittings for wind players are finished during New Member Camp. Thanks and Go Pride Go!!
