

Super Bowl of Sound Marching Contest

Alternate Severe Weather Plan

In the rare case of severe weather on Saturday, October 3, 2009, the 27th Annual Super Bowl of Sound Marching Contest will move inside Central-Carroll High School. Bands will be judged on music, overall effect, guard, percussion, drum major, and dance/majortette. No marching captions will be included in any scores.

The decision to move the contest inside will be made by the Super Bowl of Sound Executive Committee if it is necessary to do so.

Registration will be held in the Central High School Band Room.

Dressing Rooms will be located in Central High School New Gym.

Warm-up will be held in the Central High School Band Room.

Holding Area before performances will be held in the Central High School ROTC Room.

Performances will be held in the Central High School Gymnasium.

Hospitality Room will be located in the Central High School Health Room (located in gym)

Buses will park in parking lot located in front of Central High School

Equipment Trucks will park in the front campus drive of Central High School.

Other notes:

***Please be aware this plan will be used only if there is severe weather or very heavy rain.**

*As always, Super Bowl of Sound Guides will assist with each group during your stay.

* Maps will be made available if the event is moved inside.

*Awards ceremony will take place at the end of the event in the gymnasium.

*Every effort will be made to hold the event outside. Expect delays in the schedule if there is severe weather.
