

What are they saying?

"I would highly recommend the Super Bowl of Sound to any band who wishes to participate in a fantastic contest. It is extremely organized and includes highly professional and experienced judges. Our band has always been treated with the utmost respect and fairness. If you are looking for a contest for your band, the Super Bowl of Sound should be at the top of your list!"

Robin L. Christian, Retired - Ringgold High School

"The Super Bowl of Sound is one of the most professional and well organized Marching Band Contests in Georgia. I always get great feedback from the judging panels!!"

Jack Jean, Brookwood High School

"The Super Bowl of Sound is by far one of the best run and best organized marching competitions in Georgia. My students are treated like royalty by the CCHS band members and parents from the moment we pull into the parking lot until the moment we leave. We always receive fair and honest judging, as well as great feedback from each judge on our positives and ways to improve our show. I highly recommend this contest to anyone looking for a well-run, fun, and educational marching band experience."

Andy Hursey, Perry High School

"The Super Bowl of Sound is an outstanding event. From the time you arrive until the time you leave, everything is well-organized and in the best interest of the bands and their directors. The adjudication has always been fair and honest and has helped to provide a way for my band to improve before the next contest or appearance. A sound educational opportunity for all involved because if the kids and teachers love it, the parents are sure to love it as well!"

Michael Oubre, Pickens High School

"The "Super Bowl" was very well organized and adjudicated. The hospitality was outstanding. We plan to attend again when our schedule permits."

Jimmy Mauney, Retired - Bowdon High School

“The Super Bowl of Sound has to be one of the most positive competitive experiences in which I have participated. Not only have I competed two of the last three years, I have also had the opportunity to serve as an adjudicator. Therefore, I have seen the activity from both sides. I can truly say that the SBS is an awesome experience for kids and directors.”
