

TURN TYSON PRODUCTS INTO BIG BUCKS FOR CENTRAL-CARROLL BAND PROGRAM!

If you eat Tyson products, you can help Central-Carroll Band Program earn money!

The program is called Project A+, and it works like this: There's a Project A+ label, worth 24¢, on various Tyson products that feature the Project A+ logo on the front of the package. The Band earns money from Tyson by collecting and redeeming the labels.

The Band could earn up to \$12,000 per academic year, and there are no restrictions on how the funds are used. We can use the money for anything we need — field trips, computer equipment, band gear, uniforms!

Parents may send in their Tyson Project A+ redemption labels with their students throughout the school year. Please place in the black box in the Band Room.

The redemption labels look like this:

If everyone clips and saves the Tyson Project A+ redemption labels, we can make this program a huge success for our band program.
